How the wilson trainer was made.

Booken Journat—It is certainly a curious coincidence that the particular kind of Hannels which Congressman Stevens manufactures is given a higher rate of protection in the new bill than other flam nels. This may be only a coincidence, but it is of a kind which a high minded and unselfash man would deeply regret. Let us hope that this discrimination was forced upon Mr. Stevens against his will.

AN ENGLISH VIEW OF OTHER NATIONS

AN EMILSII VIEW OF OTHER NATIONS.
London Truth, Edited by II. Laboihere.
—We English, dear Laily Betty, are rightcons race; an attogether superior people.
But our neighbors of with love us. The
reason for this is simple. We have too
high an ophilon of ourselves, and too low
an ophilon of others.
According to the peoplar estimate?
Americans are valgar,
French are immortal.
Russians are barbarians,
Italians are beggars,
Spaniars is a cutthroats
Germans are boors.
